Principal

*Best Wish
We Pardon*

To paraphrase Robert E. Lee, as the principal of Robert E. Lee High School I take pride in our school, "her prosperity and institutions," her students and faculty, her program of studies, her extracurricular activities, her outreach in our community. Eight years ago students worked to the sound of the carpenter's hammer and the brick-mason's trowel; this year the same sounds are heard as work is going on apace

in the new building of additional classrooms, gymnasium, cafeteria, and other facilities. I take pride in this growth, in the senior class that is the largest in our history, in all the students who are growing in "wisdom and knowledge;" May we all have the satisfaction that comes from the "consciousness of duty faithfully performed" in an institution we have learned to love—Robert E. Lee High School.

Mr. Piper has served as Assistant Principal of Administration since the opening of Robert E. Lee High School. His many and varied duties include supervising bus transportation, taking charge of all school reports and registration, and also providing for the school's discipline. Mr. Piper definitely plays a vital role in the Administration.

Assistant Principal for Administration

Although General Norell is new in his administrative position, he handles his job with such efficiency, that he is respected greatly by students and as equally high by the faculty. His main duties are to order textbooks, obtain substitute teachers, schedule students, and aid teachers in any way possible. General Norell takes a great interest in every student and as a result he is one of the most popular figures in the halls of Lee.

School Store

Secretaries

Mrs. Norton

In the school office, Guidance Department and book store, secretaries do the clerical and financial work involved in the administration of the school. The efficiency with which these three main offices are run is of vital importance to the smooth operation of Robert E. Lee.

Mrs. Tilson and Mrs. Newell

Guidance

The Guidance Department is an extremely important part of Robert E. Lee High School. Through the counseling it renders and wide testing program it administers, this department guides the student toward gaining insight into his own problems. The counselors aid the student in choosing the proper courses he needs to prepare for a career or further education.

Clinic

The recording of such important data as the results of dental checks and yearly vision and auditory tests is done by the clinic. The competent nurse, aided by the clinic help, is always on duty to help any student requiring assistance. The efficiency with which the clinic is run is greatly appreciated by the student body.

Library

Robert E. Lee High School is fortunate in having an excellent library which provides the student body with the opportunity to gain interest and knowledge in a variety of fields. All kinds of reference material is available in the large reference section. There is also an excellent periodical section and a very interesting audio-visual department. Books of every subject from science and history to mystery and drama can be found on the fiction and non-fiction shelves. The library is a profitable place to visit both for research and pleasure reading.

Cafeteria

Each day the cafeteria staff faithfully serves hot balanced lunches to the whole school. These ladies also work diligently to keep the cafeteria clean and neat. The students of Lee are indebted to the competence of this staff for the efficient management of their cafeteria.

Lee's janitors are responsible everyday for the clean appearance of the school. Their job is often overlooked, but it is indispensable to the smooth operation and good reputation of Robert E. Lee.

English

By stressing the mechanics of writing, by encouraging creative thought, and by urging extensive reading, the English Department seeks to make each student a capable and well-developed person. The student scope is widened as he learns to appreciate classical and contemporary literature and to express himself clearly.

English and American Literature, Grammar, Public Speaking, Creative Writing and Drama are the basic subjects taught by this department.

Social Studies

The task of informing the student about the world, its history, its government, and geography is given to the Social Studies Department. Such subjects as World Geography, U.S. and Virginia History, and government touch the life of every student; the select courses of World History and Modern European History especially encourage the prospective history major.

Supplementing the standard textbooks, various speakers and field trips give realism to the printed word.

Social Studies, vital to the understanding of society, is not neglected at Lee.

Mathematics

This year the Math Department offered all "new" math. The two-year Introductory Algebra course was conducted again this year by the School Math Study Group. Analysis, a college math, was offered for the first time to advanced students.

General Math, Consumer Math, Algebra, and Geometry were taught, and for interested students, Algebra II-Trigonometry, Trigonometry-Solid Geometry-Functions, and Functions and Matrices were available.

Science

The Science Department at Robert E. Lee has expanded to include several new and experimental courses this year, besides the Biological Science Curriculum Course. Instead of learning through reading and memorizing, the students learn by doing experiments, by observing, and by listening to discussion and lecture. An advanced, second-year biology is taught by Mr. J.J. Schultz who, in collaboration with a biology teacher from another school, wrote the laboratory manual. This manual also serves as a guide for students going into deeper reading on the subject. This reading combined with discussion, lecture, and laboratory observation gives the student freedom to learn on his own.

The Chem Study Program was offered for the first time this year at Lee. It is similar to the Chemical Bond Approach chemistry but is presented differently. Both the Physical Science Study Program and the conventional physics were taught. Other science courses taught this year were Science 9 and Earth Science.

Art

Students in the Art Department study the traditional forms of pottery, painting, drawing and sculpture as well as delving into art history and philosophy. Modern art in the forms of junk, pop, and op art are introduced to the higher classes. A course in experimentation is Senior Art, offered to seniors who have not had the opportunity to study art until their final year. A new program initiated by the department provides for art exhibitions by advanced juniors and seniors which acquaint the faculty and students with the creative work being done. In addition, a bonus in the form of an art trip to New York is offered.

Through participation in the bands and choruses of the Music Department, the students at Robert E. Lee have an opportunity to examine all facets of music. In class students not only study theory, but also put what they have learned to good use in actual performances. The success of all concerts and other programs presented this year speaks well of the great effort put forth by both the director and the pupils.

Home Economics

The home, as the center of the family unit, is of great importance. The making of a happy and comfortable home requires skill and knowledge. The Homemaking Department of Lee offers the chance to gain this knowledge and develop this skill.

Child care, nutrition and foods, clothing, money management, personal grooming, and home nursing are the major fields of study in the four year course.

Girls taking this subject have the opportunity to become better homemakers under personal supervision through practical experience.

Industrial Arts

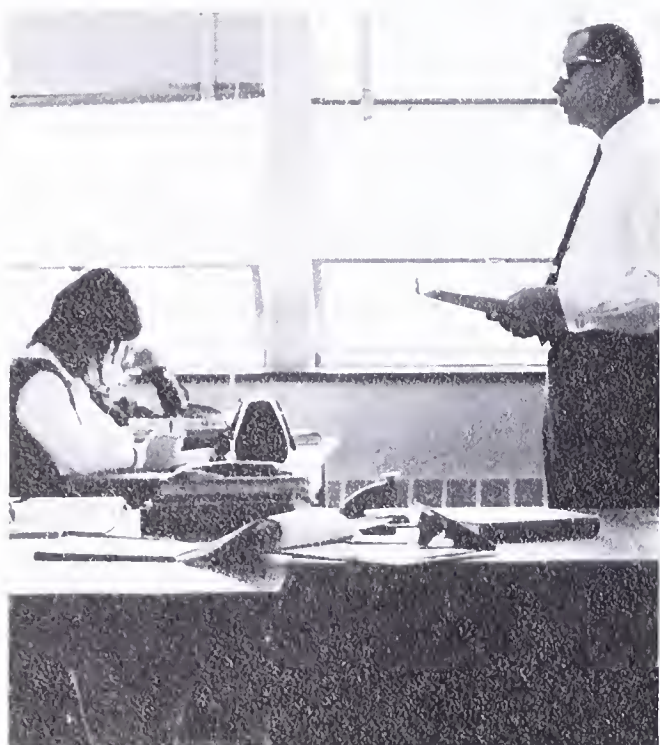

The Industrial Arts Department serves to instruct students in working with wood, metal, plastics, and precision instruments, thus giving them the opportunity to prepare for jobs in industry.

Such courses as Industrial Arts, Mechanical Drawing, Engineering Drawing, Architectural Drawing and Electronics are offered to all interested students.

In the Business Department at Robert E. Lee there is something for everyone who is pursuing either a commercial or an academic course of study. A student who plans to go out into the commercial world directly after graduation can obtain the practical training and experience he will need from this department. Courses are available in typing, shorthand, commercial law, bookkeeping, clerical office practice, and general business.

The academic student who intends to go on to college but who needs a basic knowledge of typing and shorthand for his personal use may take a one year course of Personal Typing and Notehand.

Physical Education

By stressing the importance of good health, hygiene, proper exercise, and sportsmanship, the Physical Education Department completes the students curriculum. Courses offered in health, first aid, drivers education, in addition to athletics help to develop the student in areas in which he lacks training. This department also sponsors a large program of extra-curricula sports.

Organizations

Student Co-operative Association

President William Singleton

Our S.C.A. is most fortunate in having Bill Singleton as President of the student body this year. Bill is an able leader, a boy who led the Student Co-operative Association in many worthwhile projects and who helped improve the conditions at Lee. In addition to participating in the experiment in International Living program in Italy, he was also one of the domestic exchange students who participated in the trip to Michigan. Bill is an all-around student from whom Robert E. Lee High can expect great accomplishments in the future.

The Student Co-operative Association has been very active this year. The bi-monthly meetings were attended by a vast majority of homeroom representatives and much worthwhile legislation was passed by the Cabinet and Senate. This year for the first time an amendment was made to the constitution. This amendment, permitting the Senate to vote on all issues before the legislature, was voted on by the entire student body. The amendment was made to update the workings of the SCA and to provide for the smoother running of all future administrations.

The cabinet, composed of various members of the student body from all the classes, is selected by the president and approved by the Senate. The Cabinet fosters school spirit, regulates clubs, corresponds with other schools, and tries to set a good example for the rest of the student body. The Senate is the lawmaking body and along with the representatives, they bring legislation such as the amendment passed this year before the general meetings. They also help to make this school run more efficiently and enable all the students to enter into student government.

The SCA sold programs at football games and pennants and pins for the Homecoming Game. They also took care of all the Homecoming Weekend festivities.

National Honor Society

The National Honor Society is composed of students who have achieved high marks in academics and who have shown leadership ability. Seniors with a 3.2 academic average and Juniors with a 3.5 average are eligible for admission. Sophomores with a 3.8 average are taken in as provisional members. While in the club, members try to create an enthusiasm for scholarship, to stimulate a desire to render service, to promote worthy leadership, and to encourage the development of character. In attempting to fulfill these aims, the Society runs **Ye Olde Booke Shoppe**, and the Society furnishes a tutoring service in all subjects. In addition to this, the club presents the library with a book each month.

Key Club

The dynamic Key Club of Robert E. Lee has planned and executed numerous successful activities and projects this year. Among these have been the painting of the press box in the football stadium, policing the school grounds, distributing **TB** information to local residents, and sponsoring the Sadie Hawkins Dance. In March, the club attended the District Key Club Convention, in Washington, D.C. In addition, the Key Club sent its officers-elect to the International Convention in New York, expenses paid. The club owes a great deal of gratitude to their sponsor, Mr. Wiener, for his excellent guidance in all their endeavors.

Keyette Club

At Robert E. Lee the Keyette Club, with President Bev Sloane as the guiding figure, has again proven itself to be one of the very finest service clubs in the Washington area. Keyettes continued to sponsor the traditional projects such as the Sadie Hawkins Dance, pennant sales, and flowers for the first day of Spring; they also initiated several new services. Through the year Keyettes could be seen pouring for the Senior Tea, making Christmas toys for hospitalized children, and even doing the less pleasant jobs like cleaning the Robert E. Lee High School sign.

One of the most outstanding achievements of the year was Peace Corps Week, which was sponsored by the Keyette Club. During this week a Peace Corps member, just home from a tour in Cameroon, gave a colorful lecture at an assembly. \$500 was collected by the club to give to the Peace Corps for the purpose of building a school in an overseas country.

Under the copoble leadership of Poul Simms, the Alpha Hi-Y reached new heights in service to the school. Meaning "the First", the Alpha Hi-Y chopter was first with "Be Honest" signs to impress the Honor Code on the student body. This year the Hi-Y started a scholarship fund for on outstanding senior member to be chosen at the end of the year. The boys olso sold Y.M.C.A. mints to help Y.M.C.A.'s throughout the world. Dances were sponsored in order to raise money and carry on their worthwhile projects.

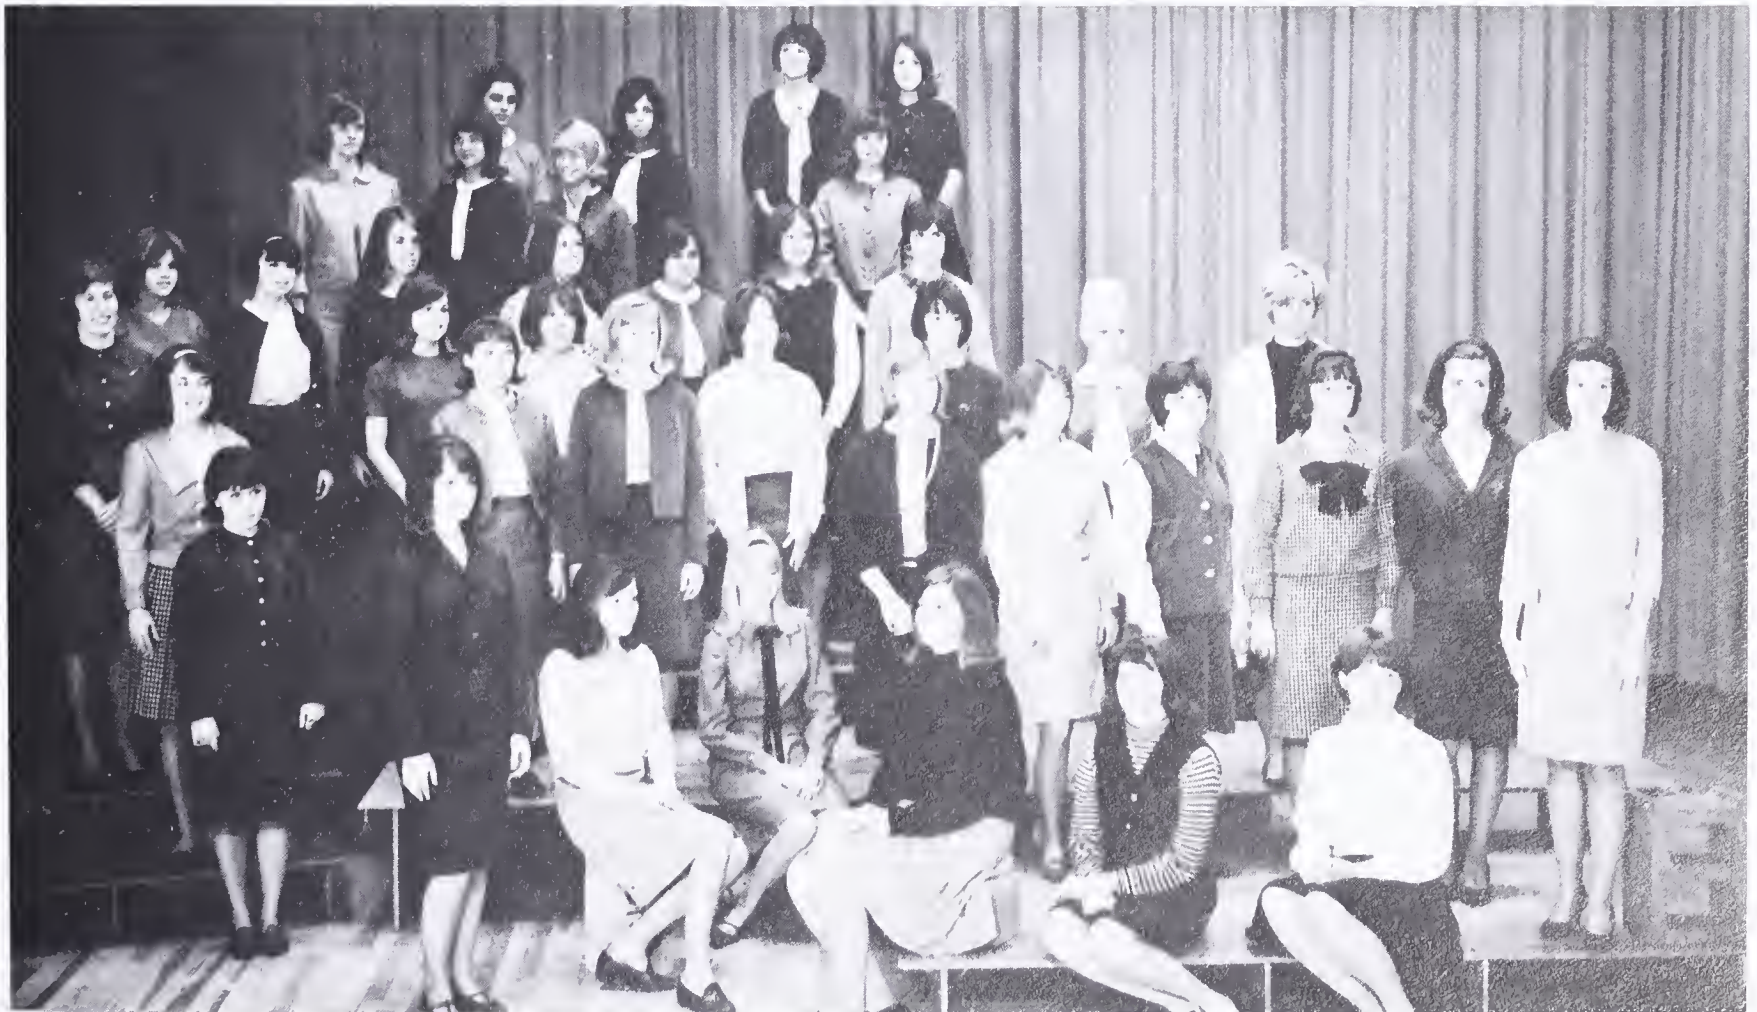

Chi Omega Tri-Hi-Y

Chi-Omega Tri-Hi-Y, since its beginning almost three years ago, has been one of the most active clubs at Robert E. Lee. The girls contributed their time and ingenuity to the betterment of school and community life. The services performed were many and varied. Money earned through different projects was used to support an adopted Greek girl. Every week some of the members worked at Junior Village, where rewarding experiences were enjoyed by both the Tri-Hi-Y girls, and the young orphans.

Chi-Omega, in addition to the many smaller unrecognized services performed, also gave strong support to school activities. The selling of slices of the "Beat Eagles" cake as well as the creating of the slinky Homecoming dragon added to school spirit. The Chi-Omega Tri-Hi-Y has done a great deal to "create, maintain, and extend" the ideals upon which the club was founded.

This year the young men of Robert E. Lee have shown such tremendous interest in the Y.M.C.A. organization, that a new chapter of Hi-Y was formed. "Epsilon" has followed through with its underlying meaning, "brotherhood" or "belonging together."

During its first year of existence, the members of Epsilon have strived to achieve the high goals that they set for themselves. As a service club, the fellowship has many duties to fulfill. Among these are events which will become annual projects; a trip to Junior Village and numerous other activities beneficial to the members, the school, and the community. Yet, in many of its activities, Epsilon has endeavored to fulfill the aims of the Y.M.C.A.; "to create, maintain and extend the high standards of Christian fellowship."

This year the newest chapter of Tri-Hi-Y, Sigma Chi Delta, has strived vigorously to maintain the high ideals upon which the club is based. Its service to the school and community can clearly be seen through all that it has accomplished. Each of its thirty-six members contribute equally to make this fellowship not only a co-operative venture but an opportunity to share in the leadership, planning and fun.

The Quill and Scroll Society had to make a fresh start this year, under the guidance of a new sponsor, Mrs. Golladay. The Society, which is a national organization, is for superior English students who work on a school publication. It's purpose is to foster interest among the students for literature, and to be a service organization for the school. This year, for the first time, the Quill and Scroll Society was separate from the Herald Staff, which publishes the literary magazine. This separation was made to let more interested students participate in putting out the Herald, and to let the Quill and Scroll Society devote more time to service to the school. The Herald Staff released two issues of the literary magazine, and the staff held two contests during the year to increase submissions for the Herald.

The **Junior Jargon** has been traditionally a newspaper by, for, and about Juniors. This year the staff attempted to relate to all Juniors "What's Up" and "Who's Who" in the class of '66. The paper was distributed monthly in hopes that it would stimulate interest in upcoming activities and past triumphs of the class. The **Junior Jargon** has again this year been a success and the staff hopes that in the years to come it will continue.

The Peace Corps Club sponsored many and various programs this year. The members shipped supplies to Bolivia, attended lectures by foreign students and Peace Corps directures, and sent flags to schools in other countries. Under the guidance of a new sponsor, Miss Will, the organization accomplished its twin purpose of furthering the student's knowledge of International relations and teaching all who are interested about the Peace Corps.

Art Guild

Under the guidance of one of our art teachers, Mrs. Little, the Art Guild has continued to be one of Robert E. Lee's most enthusiastic and interesting clubs. The club works to further the advanced art students in appreciating art and in becoming more skilled in art techniques. The Art Guild is beginning to build a permanent art collection to add beauty and color to our school. The Art Guild sponsored several field trips including one trip to New York, and was responsible for various projects such as coloring clay Easter eggs for Spring, giving an art show in December, and painting murals for the cafeteria.

Working in front of an audience as well as behind the scenes, the members of the drama club worked together to learn the fundamentals of play production. At the same time they earned points to be accepted in the National Thespian Society. With the Thespians, the drama club sponsors a one act play in the fall, the Junior-Senior Play, and also with the music and art departments they sponsor a musical production.

in its second year at Lee the purpose of the Thespian Society is to promote the appreciation and enjoyment of the dramatic arts and literature. The Thespians work on plays and their other activities include a field trip to the National Theatre in Washington, and a banquet for members in June.

The Future Teachers of America provided those students interested in a teaching career the opportunity to explore every facet of education. This was done primarily through monthly observing in the local elementary schools, where the student participated by teaching a class. At the end of the year a scholarship was awarded to the outstanding Senior member and an award given to the Junior who contributed the most to the club.

The Future Nurses of America provide a setting where students who are interested in a nursing career can meet together to share their interests. The F.N.A. members went on many field trips throughout the year to various hospitals and nursing schools. In the club, the members can explore requirements in the field of nursing and the girls can grow as students by serving the community while working together.

FSA

The Robert E. Lee chapter of the national organization of the Future Scientists of America, continued this year. The purpose of the F.S.A. is to acquaint students with all of the aspects of science and scientific careers. This has been achieved under President Charles Hanok by having speakers and films, and also by sponsoring field trips to observatories, museums, radio and television studios, and telephone stations. Membership was open to all students interested in science, and everyone was welcomed to join.

As a honor society for students who are taking French, the French Honor Society's purpose is to further the students' understanding and appreciation for the French culture. This culture includes the people, the country, and the history, as well as the language. To further their purposes, the Society had lectures in French and went to several French movies shown in the original sound track.

Debate Club

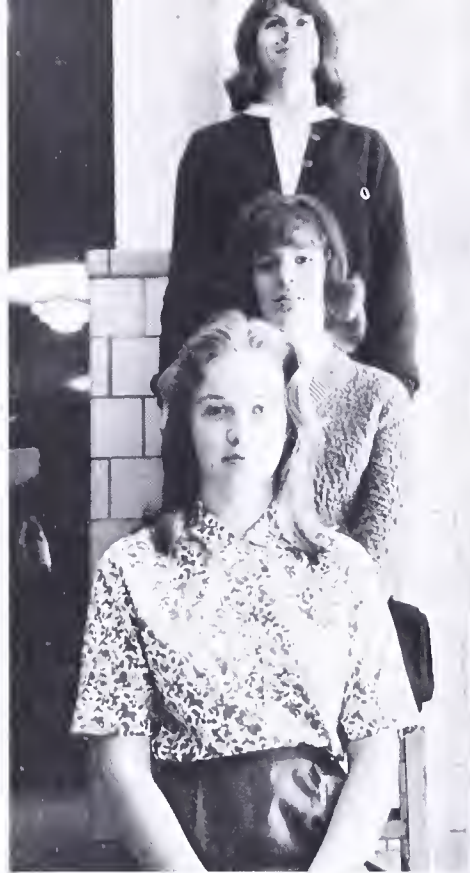

The Debate Club's primary purpose is to find members for the Debate team, and to teach its members the art of formal debating. This year the topic for debate was the issue of disarmament. Under the guidance of Mr. Dillard, the sponsor, the debate team debated ten other schools in the Southern A-1 league. In addition, six members of the club attended a meeting at Charlottesville to discuss a topic concerning weapons control.

The team of experienced debaters did well this year, in interscholastic competition, and attended a Richmond convention at the end of their season.

Latin Club

Understanding of the Spanish language, as well as all the Spanish speaking countries, is the main purpose of the Spanish Club of Robert E. Lee. The members of the club accomplished this purpose by having lectures, slides, and reports given by club members. In addition to this the club went to Spanish movies, and had dinner at Spanish restaurants to give the members more insight into the Spanish culture.

Composed of students who are taking Latin now or have taken Latin in the past, the purpose of the Latin Club is to develop an increasing awareness and appreciation of the Latin language. A purpose for all members is to acquire knowledge of the life, customs, ideals, and literature of the Greco-Roman culture and civilization.

The Latin club is one of the more active of the clubs at school. On December 18, the Saturnalia, a Roman celebration for the God, Saturn, was held. In May the Roman Banquet, a wild orgy, was attended by toga clad members. Slaves, food decorations, and Roman style entertainment gave the dinner the atmosphere of an authentic Roman banquet.

Sponsored by Mr. Ashby, the German Club is one of the more active clubs at Robert E. Lee. On Saturday, November 7th, the club sponsored the **Oktoberfest**, styled after the world-famous German beer blast. Participants enjoyed autumnal decor and music supplied by the Mistix. On December 22, the club members participated in a Christmas party, held at a member's house. The club also planned a trip to a restaurant in Washington, and another dance in the Spring.

Although the camera club at Robert E. Lee High School is a relatively new organization, the club has been firmly established by its enthusiastic membership. The members all take an active interest in their art and the club sponsored guest speakers to talk to the members of various photographic techniques. Some of the members work on various publications staffs and through their membership in the club, can have other members take an active part in picture taking and processing for the year-book, newspaper, or literary magazine.

Radio Club

This year the radio club had much fun and games at their meetings throughout the year. To further its purpose, which is to goof around and flake off with shortwave (ham) radio sets, they planned many activities. They had meetings at which each member took his turn at jamming important radio messages going across the country. The members also enjoyed practicing their eavesdropping techniques on the sets by tuning in on private conversations and making amusing comments to each other. The club has done much, but they still haven't been caught.

This year the Chess Club at Robert E. Lee expanded to include more students who were interested in the ancient game of chess. Along with the weekly meetings, tournaments were held to determine the top players at Lee and matches were played with other area schools. Each member's skill was sharpened by the frequent practice and friendly competition.

The Swimming club, newest of the Clubs at Robert E. Lee this year, has proved to be one of the most successful and active clubs. After being approved by the S.C.A., the club got underway in November and practiced every week at the Alexandria Y.M.C.A. Mr. England, the coach of the team, did a tremendous job getting the members in shape for meets with other schools in the area. Besides the vigorous training program and challenging meets, there was a lot of just plain recreation and all the members enjoyed themselves very much. Next year the club hopes to have more members and more fun.

Pep Club

Laurie Crawford, Terry Saunders, Sharon Covert, Jody Thurbur.

The Pep Club's objective is to create enthusiasm among the students at Robert E. Lee and to support all school activities. This year the officers and seventy active members (with the aid of the cheerleaders, band, and athletic teams) were successful in achieving the club's purpose. The Pep Club members painted signs for the halls, made goal post signs for all home games, constructed the "first place" float for Homecoming. Banners were sold, a "Lights for Lee" drive was undertaken, and all activities were well attended by members of the club. As a result of this active club, students at Lee had more spirit this year than any other year.

One of the most valuable services that a student can perform for the school is being a helper in the administrative departments of the school. The students in the office and guidance department answer calls, help the secretaries with their work and also give assistance to students who seek it. The school store helpers sell school supplies and books to students while Mrs. Norton takes care of the books. The library assistants perform a myriad of tasks from helping students check out books to putting books back on the shelves when they are returned. The clinic help assist the school nurse take care of students throughout the day. All of these assistants do a great deal to keep the school running effectively and efficiently.

Lancerettes

Gwen Peterson

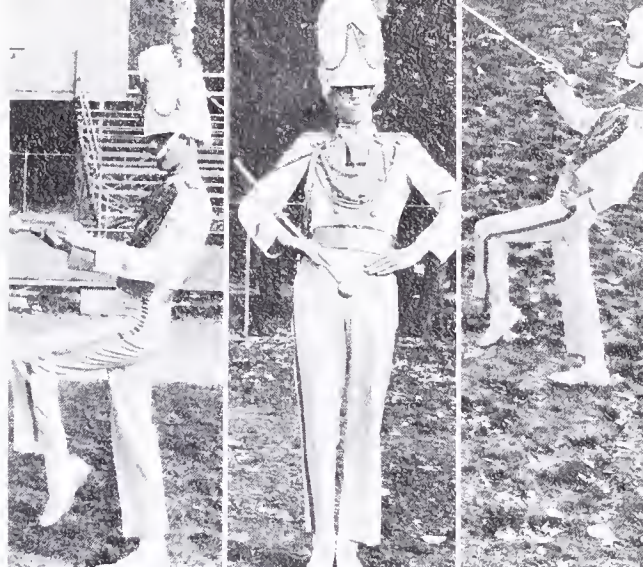

Our new Lancerettes, Lee's first group of majorettes, were a real boost to our band and football team this year. The girls sponsored a sale after one of the football games to raise money to buy uniforms. They performed very well at both home and away games, and their half-time shows were enjoyed by many Lancer fans.

L. Allowoy, R. Bogley, T. BonDyk.

This is the first year that Robert E. Lee has had two assistant drum majors. In addition to Ron Bagley, who did a tremendous job leading the band throughout the football season, Lee Alloway and Timmy BanDyk were a great asset to the band. Besides helping the Drum Major with his duties, the two assistants gained valuable experience for next year, when they might get the chance to be Drum Major. The Drum Majors practiced for long hours to present the fine show we have seen during our half-time band concerts, and they deserve our thanks for a job well done.

Drum Major

The Color Guard has expanded this year to include a drill team, and the team practiced to attain precision and co-ordination in their movements. The Color Guard did a fine job during the football season raising the flag while the band played **The Star Spangled Banner.**

There is something for everyone in the Music Department at Robert E. Lee. The choruses are made up of representatives from all four classes, both girls and boys. The four choruses combined in presenting their annual Tag Day Concert, Christmas Concert, Musical, and Spring Concert. The Acapella and Madrigal choirs were also involved in various outside engagements.

C. Boumgardner, Treas.; J. Covington, Vice Pres.; R. Bagley, President.

The Concert Band had another successful year. Hard work and long hours of drilling by the Lee Lancer marching band profited in the most spectacular half time shows seen since the opening of the school. Under the direction of Mr. Bob Zip, the Lancer Band had more pep and spirit than any other band in Northern Virginia. Ron Bagley showed his skill at drum major by leading the band at every football game. He was backed by Lee Alloway and Tim Bandyk.

The Band played a variety of new music this year and the fact that the band had an hour and a half of practice each day paid off on musical returns.

"It's Academic"

Lee was represented this year on **It's Academic** by Gregg Thrall team captain, Lillian Pyles and Ginny Cherwek. They were chosen from a group of 20 Seniors by the program officials. The team was opposed by Montgomery Blair and St. John High Schools. The Varsity Cheerleaders and much of the Senior class gave their support to Lee's intellectual athletes at their only showing of the season.

Experiment in International Living

It is the deep conviction of the American Field Service and the Experiment in International Living that friendship between the youth of the world today will secure international peace and understanding for tomorrow. For this purpose students from the United States journeyed to foreign countries throughout the world last summer to live as members of a foreign family, to study the culture of that country, and to learn through living, the hopes, needs, problems, and attitudes of that nation's people. Such ex-

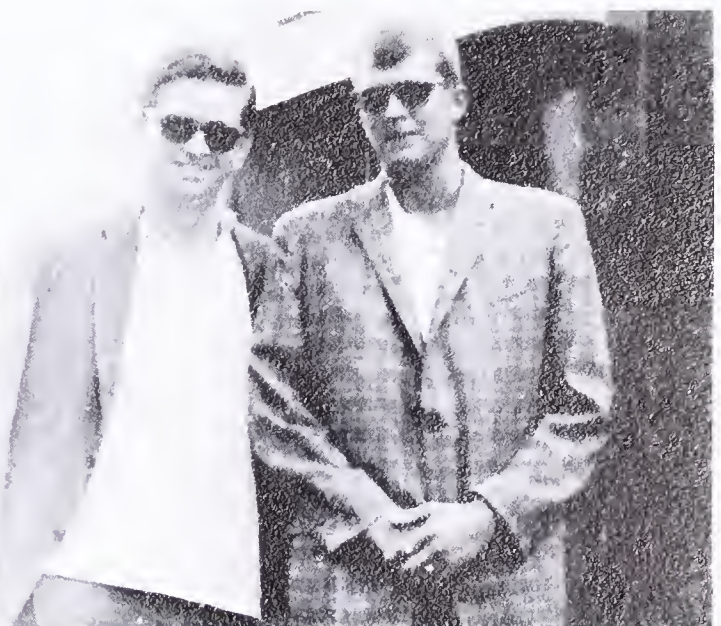

Suzanne Shaw with adopted brother and sister in Germany.

AFS Americans Abroad

periences instill in the participants a greater understanding of people, a sincere sense of pride in the United States, and a more mature and thoughtful view of their responsibilities in this complex world. Suzanne and Bill have the conviction that peace through understanding can and will someday be attained. For these wonderful, unforgettable experiences, Suzanne through the A.F.S. Americans Abroad and Bill through the Experiment in International Living are truly grateful.

Annapolis

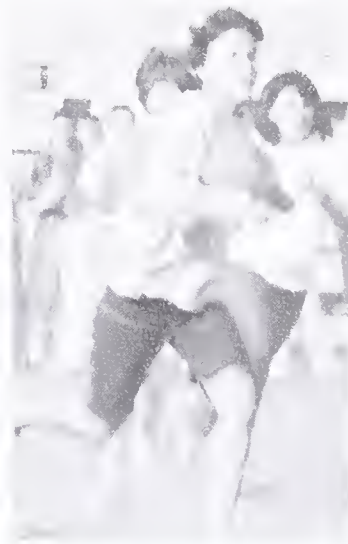

The morning after another successful Lancer football game, the class of '65 boarded buses for the annual senior trip to the Navy Homecoming game with William and Mary. Upon arrival at Annapolis the seniors were turned loose to explore the campus. Everyone split into small groups; the boys to look at the grounds and the girls to observe the Midshipmen. Bancroft Hall, the main dorm, was decorated with banners forecasting the outcome of the game.

The first event in the stadium, once the seats were found, was the formation of the brigade on the field. The game, proceeding as expected, was livened up when Rodger Staubach entered the Navy lineup. Although Lee was seated on the William and Mary side, the class of '65 did more than their part to cheer Navy to victory.

Powderpuff Football

This year the Powderpuff game was not played on the football field as it had traditionally been, but this did not stop the enthusiasm of the girls. The two rival teams were the Pattie's Flatties, captained by Pat Merchant, and the Mikie's Mashers, co-captained by Mikie Schaller and Raye Sargent.

The game, which is supposed to be touch, rapidly developed into a fierce game of tackle. Although the game remained scoreless, there was one near touchdown when a pass was intercepted on the 55 yard line by Sandy Rapp of the Mashers and taken to the 10 yard line. This attempt was stopped with a tackle by Cricket Cyr of the Flatties.

As usual there were many lovely boy cheerleaders to cheer their teams to victory, but this year there was a new touch. Since the watchers were not sitting in the stands but standing on the sidelines, some of them were unintentionally drawn into the antics (whipped cream, eggs, and other various things) of the cheerleaders. This, among many other events, made this year's Powderpuff game one of the most exciting games that has been seen at Lee.

CLASS OF '66

This year one of the most significant achievements of the Junior Class was to increase student participation in class activities. This increase was most evident during the construction of the Homecoming float, decoration of the large Christmas tree in the community shopping center and preparation for the Prom. Active participation was brought about, in part, by class meetings and a constant exchange of ideas between the student and the class officers.

The Junior Class also excelled in more concrete matters such as boosting our finances. The class more than doubled its treasury during the first 20 days of the school year by selling class cards and pep cards for football games, and by sponsoring a sock hop after a home game.

Class spirit swelled as Juniors carried on the traditional class rivalries in the Homecoming Float contest, the Care drive, and the Junior-Senior soccer and basketball games. We also created a new class symbol and shield.

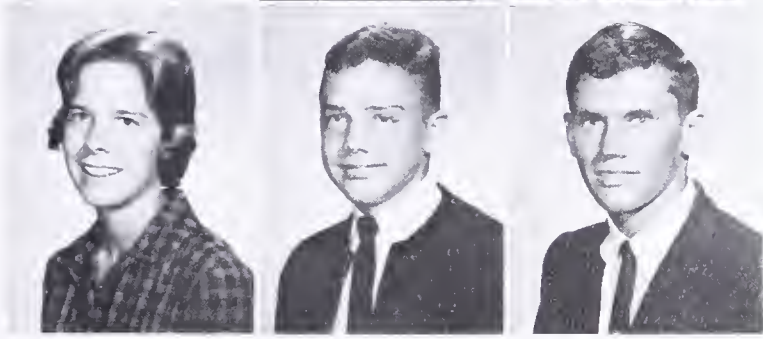

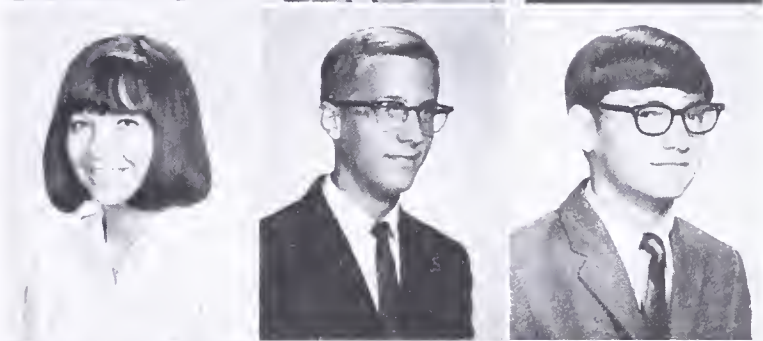

The Class of '66 is proud of its many achievements in the past and looks forward to a challenging future.

CLASS OF '67

Mike Millan, President; Bonnie Citrenbaum, Vice President; Carol Walker, Secretary; and Ginna Emory; Treasurer.

This year at Lee for the Class of 1967 has been a great one in almost every field. These advances can be attributed mainly to hard work. We have expanded our treasury by a sock-hop and the annual Sophomore Talent Show, both of which were highly successful.

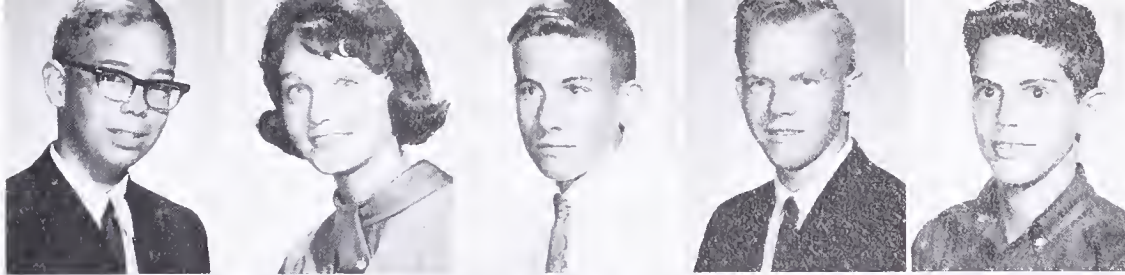

Our success was due mainly to our capable officers and fine sponsors, Miss Will and Mr. Gantis. The class council showed its worth well.

Ours is one of the most spirited

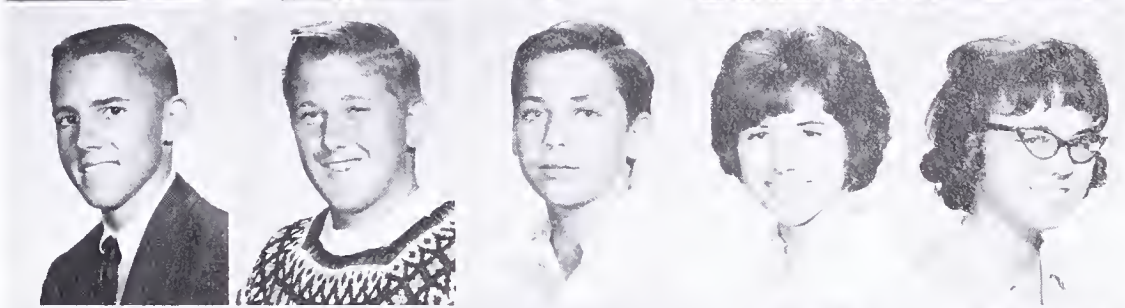

classes here at Lee. We have shown this by the abundance of Sophomores at the games and our support of the Peace Corps Drive.

We have met this year's challenge head on and have come out in fine shape. I believe that the two years to come are going to be even better for the Class of '67.

CLASS OF '68

John Ball, Treasurer; Beth Cassidy, Secretary; Cindy James, Vice President; Mitch Willey, President.

It was a warm, sunny day when we all arrived, half-reluctant, half-eager, to become students at R.E. Lee High School. The Class of '68 was not one to sit around though.

First our class saw a need to unite by choosing officers. After a week of vigorous campaigning our leaders were chosen. Then, with the unfailing enthusiasm indicative of our class, we plunged into social, athletic and academic activities.

The Freshman football team had the most outstanding statistics on record. Our basketball team always looked good and played with terrific energy. During cheerleading try-outs

many girls came out to show their school spirit. At all our games the class has been behind the team all the way.

With equal enthusiasm the Class of '68 has supported all school social functions. We have also enjoyed working and attending our own class activities.

If our class continues to give the kind of support it has this year, we will continue to have the great class which we now have.

The return of many of last year's lettermen plus additional strength from transfer students Joe Clark and Steve Fall combined to give the Lancers their most successful year yet. Early in September the Lancers were predicted to be genuine contenders for the Group 1-A Title. The team, with tremendous support from our student body, fought courageously all season, despite numerous injuries. In the final game of the season, injuries finally caught up with our team. However, the Lancers still remained first in Northern Virginia in both defense and offense.

Any summary of the football season seems incomplete to describe the fond memories we shall have ...

Mount Vernon

On September 4, the Lancers opened their season by crushing Mount Vernon 33-7. As expected, a large crowd of enthusiastic Lancer fans was on hand to get its first look at Lee's title contenders. Late in the first quarter, Dave Hughart intercepted a Majors' pass and returned it to the 10-yard line. Joe Clark crashed through the line for Lee's first score and added the extra point. In the second quarter Steve Northup scored on a quarterback keep to raise the score to 13-0. Before the half ended, Mike Poole had scored a touchdown and added the extra point.

The Lancers continued to wear out the Majors' defense in the second half as Jim Nichols hauled in a long pass from Bob Lindfelt for a touchdown. Joe Clark's P.A.T. widened the margin to 33-0. Mount Vernon scored its' lone touchdown later in the quarter. In the fourth quarter both defenses were strong, and the final score remained 33-7.

An alert, and strong Lancer defense led by Allen Hess and Glenn Kirby held the Majors to less than 65 total yards.

Fort Hunt

In winning their second straight game, the Lancers outclassed the Federals 27-0. The Lancers drew first blood early in the second quarter as Mike Poole connected with Randy Moffett for a 32-yard touchdown pass. Joe Clark added the extra point. Later in the quarter several passes, one a 35-yard pass from Steve Northup to Jim Nichols, set up a 10-yard touchdown run by Joe Clark. Mike Poole plunged over with the extra point.

In the third quarter Mike Poole led the Lancers on a 62-yard drive, and scored the touchdown. Joe Clark's P.A.T. made the score 21-0. In the fourth quarter a 43-yard pass from Northup to Nichols set up the final score. With 15 seconds remaining Northup fired 7-yards to Trip Clarke for the touchdown.

Groveton

The Lancers shut-out rival Edison 14-0 to run their winning streak to 4 games. The Lancers broke a scoreless deadlock on the first play of the second quarter when Jim Nichols raced a punt return 57-yards for a touchdown. Joe Clark's extra point made it 7-0. The Lancers drove 56-yards to the Eagles' 6-yardline later in the quarter only to have a pass interception end their march. The score remained 7-0 through the third quarter as both teams put on a strong defensive battle.

The Lancers broke the scoring famine late in the final quarter on a 60-yard drive led by Mike Poole. Trip Clarke dived over for the touchdown, and Mike Poole's P.A.T. made it 14-0. After the game, Lee fans watched proudly as the Lancers accepted the traditional football trophy from the Eagles.

A strong defense helped the Lancers crush Groveton 19-2 for their third straight victory. Lee scored in the first quarter after Tom Dittrich recovered a Tiger fumble. On the first play from scrimmage Jack King scampered 18 yards for the touchdown. Later in the quarter Groveton made its 2 points when Lee centered the ball out of the end zone for a safety. The score remained 6-2 at half-time.

A re-charged Lancer team scored twice in the third quarter. Mike Poole's 16-yard run climaxed a 57-yard march. Joe Clark added the P.A.T. Later in the quarter Trip Clarke plunged one yard for the Lancers' final score, culminating a 56-yard drive. The fourth quarter proved to be a hard hitting defensive battle, as neither team scored.

Edison

Stuart

After winning four straight games, the Lancers had to settle for a 6-6 deadlock in a hard-fought game against the Raiders. The Raiders scored the first touchdown in the first quarter as their quarterback scored. The Lancers fought back as Jim Nichols recovered a Raider fumble. Mike Poole crashed through the Raider line for a touchdown.

The second half proved to be a defensive battle as neither team scored. However, the fourth quarter provided anxious moments for both teams. Steve Fall recovered a Raider fumble on the Stuart 10-yard line. A pass interception by Stuart cost the Lancers a touchdown. Late in the fourth quarter a Raider field-goal attempt was no good. So as Fate would have it, the clock ran out with the score 6-6.

Madison

After a disappointing game the week before, the Lancers bounced back with renewed determination, and handed Madison a crushing 27-0 defeat. A fired-up defense, led by Bob Young and John Eddinger, held the Warhawks to a mere 60-yards. After a scoreless first quarter, Randy Moffett and Mike Poole led Lee 75-yards for a touchdown. Mike Poole dived over for the score, and Joe Clark added the extra point.

In the third quarter, Poole and Moffett led the Lancer offense to another touchdown. Poole scored the touchdown and added the P.A.T. Later in the quarter, Steve Childress intercepted a Warhawk pass, and drove to the Madison 38-yard line. Four plays later "Big Mike" crashed through the Madison line for his third touchdown of the game.

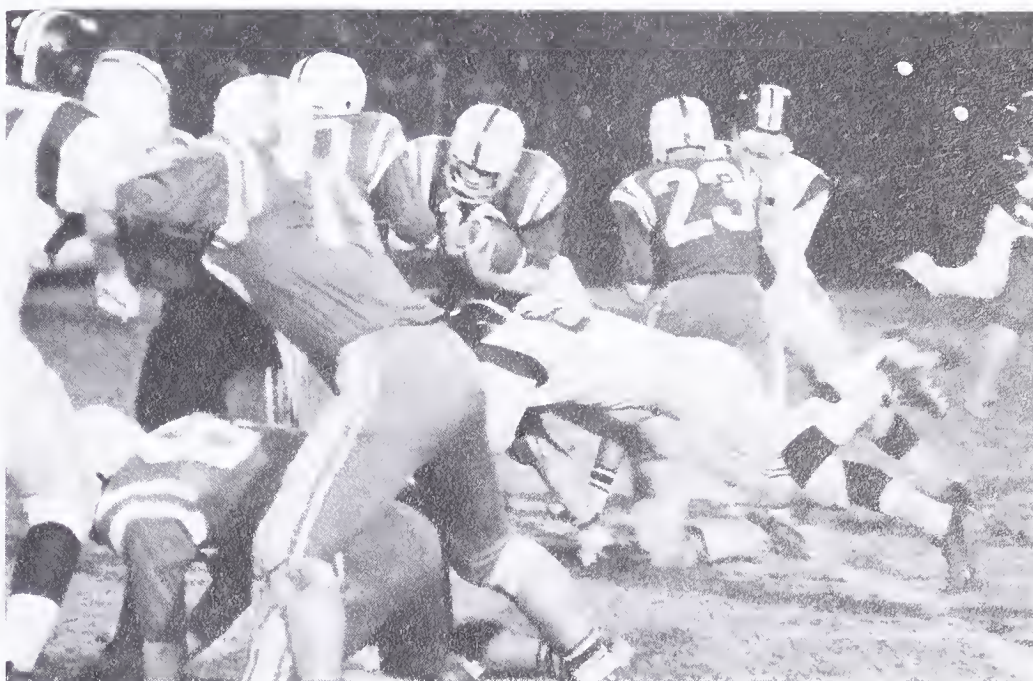

The Lancers scored their final touchdown in the fourth quarter on a 99-yard drive. Joe Clark's touchdown made the final score 27-0.

Falls Church

In racking up their seventh victory, the Lancers celebrated Homecoming by defeating the Jaguars 40-20. The first two times they gained the football, the Lancers marched down the field for touchdowns. Mike Poole scored both times. Joe Clark added the first P.A.T. and Claude Hydrick kicked the second. In the second quarter, the Jaguars scored twice, but Lee retaliated with another score as Joe Clark plowed his way for the touchdown. As the Homecoming festivities began, the Lancers held on to a 20-13 lead.

In the third quarter each team scored once. Mike Poole's touchdown and extra point gave the Lancers a 27-20 margin. In the fourth quarter, the Lancer defense held Falls Church scoreless, while Lee added another pair of touchdowns. Mike Poole scored his third TD, and Steve Northup scored the final touchdown.

McLean

In seeking revenge on the team that first defeated them in 1963, the Lancers spoiled McLean's Homecoming by trouncing them 52-0. In spite of muddy, rain-soaked field conditions at McLean, the Lancer defense did an outstanding job in holding the Highlanders to little yardage. In the first quarter, Randy Moffett scampered into the end zone for Lee's first touchdown, and Steve Northup added the P.A.T.

In the second quarter Mike Poole scored two touchdowns on spectacular runs of 79 and 71 yards respectively. An extra point by Joe Clark boosted the score to 20-0. Late in the quarter Randy Moffett scooted into the end zone for his second touchdown.

The Lancers continued to bombard the Highlanders in the third quarter as Bob Lindfelt fired a 34-yard touchdown pass to Moffett. Moments later Poole ran 54 yards for his third touchdown. Joe Clark's extra point made it 46-0. In the fourth quarter John Harris recovered a McLean fumble and set up Lee's final touchdown drive. Mike Ostinato scored the touchdown setting the final score at 52-0.

Hammond

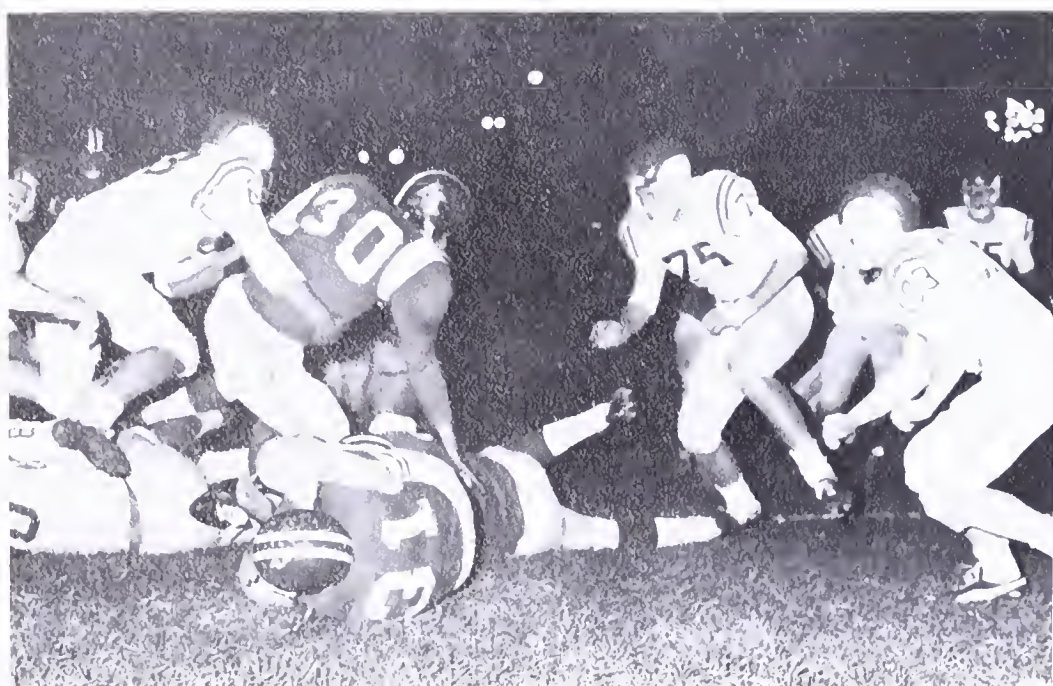

In one of their finest defensive games of the season the Lancers shut out the Admirals 19-0. John Eddinger, Bob Young, and Doug Thompson led the defensive unit in holding Hammond to a mere 28 yards gained. After a scoreless first quarter, the Lancers broke into the scoring column as Joe Clark scored the touchdown. Before the half ended Mike Poole raced 43 yards for another Lancer TD. The score remained 12-0, until late in the fourth quarter when Jim Nichols intercepted an Admiral pass to set up the score. Mike Poole scored the touchdown, running his season point total to 103. Mike Newman kicked the extra point, boosting the final score to 19-0.

Fairfax

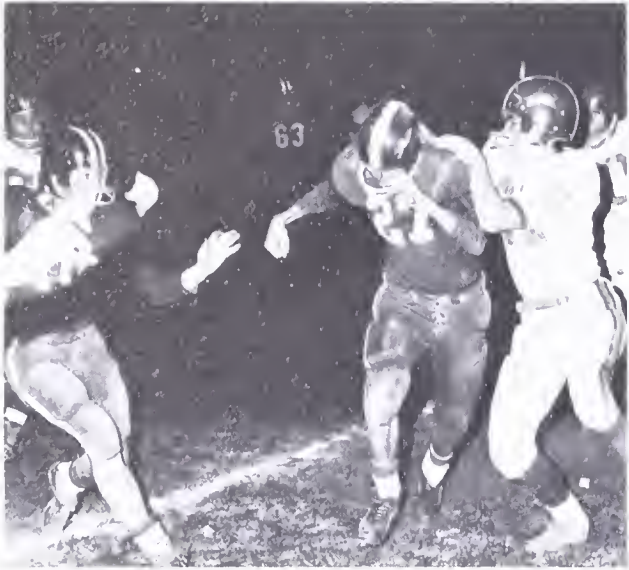

A proud and anxious crowd of Lancers gathered at the Rebels' Stadium for Lee's final game of the season. In every Lancer's mind was the prospect of Lee winning its first League Championship. Despite injuries to speedy backs Randy Moffett and Trip Clarke, and linemen Allen Hess and Glenn Kirby, the Lancer spirit both on the field and in the stands never let up. In the opening minutes of the game the Lancers drove deep into Fairfax territory. Then Fate played a hand as Joe Clark twisted and broke an ankle. Without these important players, the Fairfax defense was able to key on Mike Poole, thus hampering the big full-back's performance. After a scoreless first quarter, Fedor of Fairfax scored two touchdowns to give Fairfax a 14-0 lead at half-time. In the third quarter the Lancers bounced back as Mike Poole crashed into the endzone, running his seasons point total to 109. Mike Newman added the P.A.T. Fedor and Lonergan each added another score for Fairfax before the clock ran out on Lancer hopes of victory.

In spite of a disappointing final game, the Lancers will have many exciting memories of their most victorious season yet ...

The Junior Varsity team coached by Mr. Brawn should supply our Varsity team with plenty of football material for next year. Their 3-6 record is hardly indicative of the spirit and determination showed by our Little Lancers. The team lost a close game to undefeated Jefferson in the last 55 seconds, 20-19. Tammy Fauls was elected Most Valuable player by his teammates.

The Freshman team despite a winless season, showed its perennial enthusiasm. Under the patient coaching of Mr. Kizer, the games should provide the boys with plenty of experience for next year's J.V. team. Jim Eggleston was elected the Most Valuable Freshman player.

The 1964-1965 Varsity basketball team, coached by Mr. England, finished its season with the finest record in the Lancer's history. The team's overall 11-8 record was mainly due to hard work, speed, and determination on the part of each player. Team captain Bob Lindfelt, Mark Brumbaugh, and Jim Andrews led the team in scoring. Victories over Annandale, Fairfax, and Marshall were among the team's most exciting games.

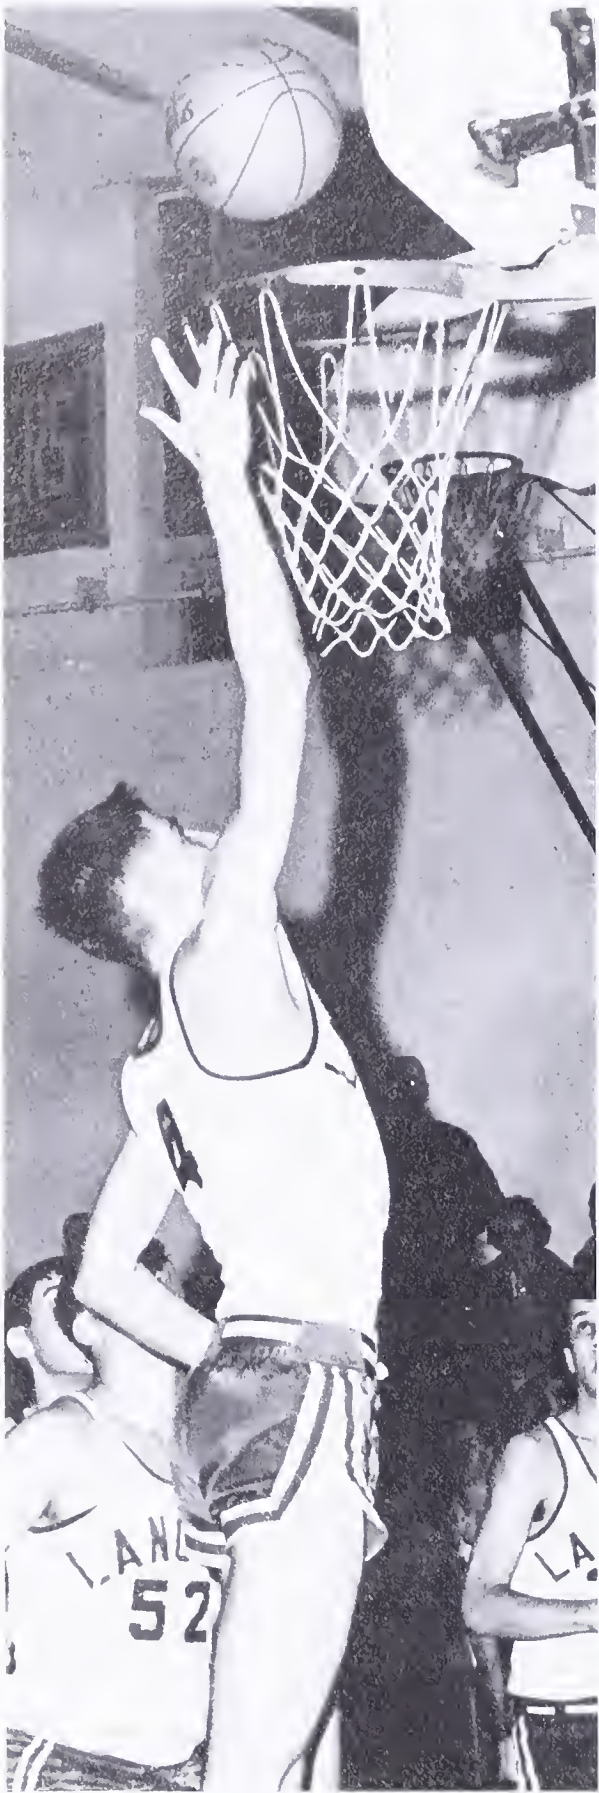

Due to a forfeit by Stuart in a play-off game, the Lancers were given a place in the Northern Virginia Tournament. Although top-seeded Wakefield proved to be too strong, the players continued their winning spirit until the final buzzer sounded. Bob Lindfelt was elected most valuable player by his teammates.

This year's Junior Varsity basketball team, coached by Mr. Moore, finished its season with a 9-8 league record. A nucleus consisting of Terry Tuck, Fred Peeler, LaMont Wilson, Dove Turner, and Dove Hilliard, plus spirit and much assistance from the other players, combined to give the Little Loncers a place in the Northern Virginia Tournament. The most exciting highlight of the season was the team's tournament defeat of top-seeded George Washington (16-1). Terry Tuck was voted the most valuable player.

Frosh Basketball

The 1964-1965 Freshman basketball team completed its third consecutive winning season with a 6-5 record. Coached by Mr. Shears, the boys exhibited great spirit and enthusiasm while learning more about the game. Victories over rivals Edison, Waadson, and Fairfax were highlights of the season. Terry Baba was elected the most valuable player by his teammates.

Varsity Wrestling

The 1964-1965 wrestling team, coached by Mr. Gontis, gained much experience for the coming years. Although the team won only two matches, several of the matmen did an outstanding job. Captain Dave Cleeland won nine matches and Steve Carlan five, while Rod Kitchens and Bruce Campbell each racked up eleven victories. Campbell, a sophomore in the 103 pound division, placed third in the Northern Virginia Tournament, qualifying for the State Tournament. Since most of the boys are freshmen and sophomores, the team can look forward to a more successful season next year.

J. V. Wrestling

The 1964-1965 Junior Varsity wrestling team gained valuable experience, as these boys will be bidding for varsity positions in the future. Although the team finished with a 1-4-1 record, enthusiasm and good sportsmanship were exhibited by the boys. Larry Johnson was elected "Best J.V. Wrestler" by his teammates.

The 1964-1965 track team looks forward to a successful year. Although Coach Brown considers this a building year, several records have already been broken. Gary Parsons set a new school record for the discus, and broke the county record for the shot put with 56' 1". Steve Fall broke the school record for the low hurdles, and the mile relay team set a new school record.

Since the team is composed mainly of underclassmen, a productive future is expected.

Cross country track, a sport based on physical conditioning and stamina, is a new varsity sport at Lee this year. Coach Shears was pleased with progress made this year, but he feels that, with increased support and interest, the Lancers will make a better showing next year. This sport gives a chance for any boy, regardless of size, to play a varsity sport.

The Varsity Hockey team coached by Miss Rowe had a most exciting season. Each player displaying her ability contributed in the team's record. They came in third place among the other area schools. A frant line player, forward Karen Reuter made most of the gaols. Backing her up was Sarah Berry, chosen mast valuable player. The Varsity team will be losing many of its senior girls but will be gaining quite a few girls from this years J.V. team to make another great team next year.

Miss Fields, the coach of the Junior Varsity hockey team.

The J.V. Hockey team coached by Miss Fields completed the season with a 3-1-4 record. The team worked together, the front line carrying the ball down the field, while the back field prevented the other team from scoring. At the hockey banquet, Paula Cyr was elected the most valuable player. For many of the girls this was their first year on the team. Considering the lack of experience of many of the players, they had a good season and hope to have an even better one next year.

Girl's Varsity Basketball

Under the coaching of Miss Vaughn, the Varsity team was able to play some fine games. The captains, Jackie Hutchinson and Sarah Berry gave the team their confidence helping the team play their best. Although the girls didn't win as many games as they wished they ended the season with a 2-8 record. The team should be congratulated for their fine playing ability keeping their opponents always on their toes. This years Varsity team consisted of seniors and juniors. The juniors that played will probably be on the team next year.

Girls' Varsity Softball

This year's team has gained for its' fine coach, Miss Fields. Although they started the season with a loss to Stuart 11-13, they were soon able to win some of their next games. A good example would be the game against Mt. Vernon which they won 18-14. Selected co-captains of the team were Dee Lewis and Potty Culpepper. The top home-run hitters were Koren Reuter and Judy Reed. Susan Hosaflook, the varsity pitcher, struck out five batters in one game.

Most players on the team were students who had played softball previously, making a team capable of winning many games. The prediction of a good season came true for the Varsity Softball team.

GUIDANCE

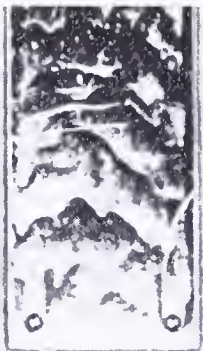

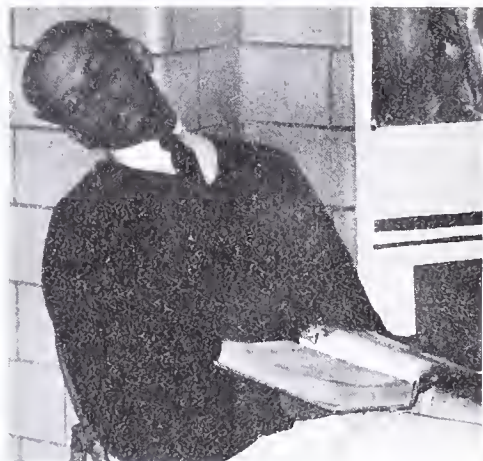

Can you imagine
 an atom's world?
 Seldom one-
 portion of a whole
 a tiny part-
 just a jot;
 Feeling it necessary
 to be like the others,
 yet attracted to ones
 who dare to be different;
 Giving and gaining
 sharing - thus obtaining
 a larger identity.
 What could happen
 in an atom's world?
 Crowded buses,
 lockers that stick,
 staircase arrows in
 opposition.
 Pierced ears,
 patterned hose,
 ironed hair,
 Forgotten room numbers,
 slighted loves,
 unsold copies of
Where I Stand
 Mr. Piper's office-
 early morning congregation
 and infinite consultation
 Tears-
 melted sadness
 or overflowing happiness-
 two extremes
 of human emotion
 expressed through
 a single medium
 and experienced by all.
 Senior court-
 now a memory
 reflection yields
 quiet dignity
 Surely none of this-
 not in an atom's world.
 How horrible to be an atom!
 only a part,
 yet essential
 to the whole.
 Supposedly beyond
 human comprehension-
 Can you imagine
 an atom's world?

Student Life

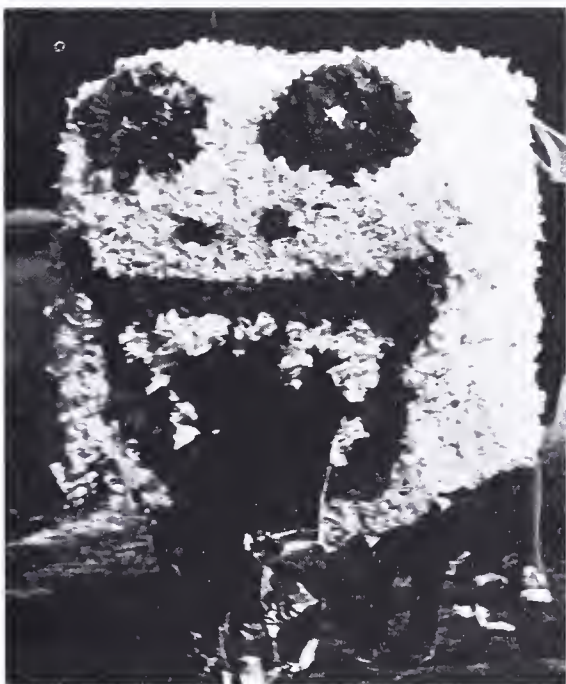

Halftime Festivities

An enthusiastic bonfire-pep rally, a victorious win over Falls Church, the crowning of a beautiful queen, and a fantastic Homecoming Dance made this year's Homecoming an unforgettable experience.

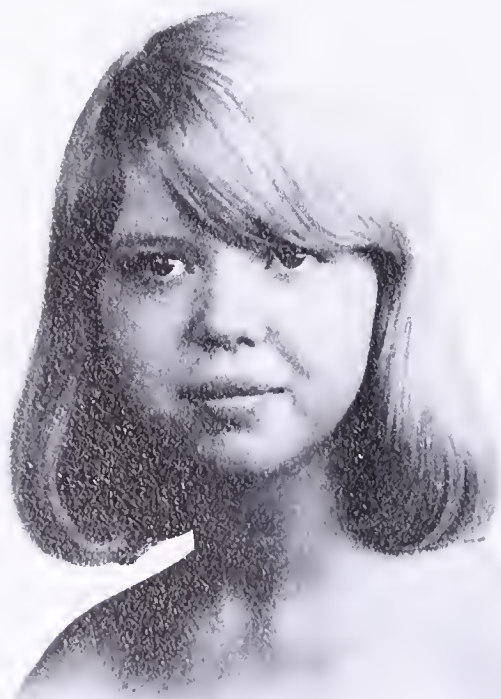

The bonfire led our great football team to its fifth straight victory, while Mr. Parrish crowned Lee's prettiest girl - who reigned over all the Homecoming festivities. The first place Pep Club float with its lovely "Over the Rainbow" theme led the parade at half time. The brightly decorated Senior Class float "Wizard of Oz" followed in second place. Tri-Hi-Y's "ferocious dragon" made a grand comeback amidst squeals of laughter and grunts of pain.

The Senior Class outdid themselves with beautiful decorations for the Homecoming Dance. Everyone agreed that Homecoming '64 would long be remembered ...

This year's "assembly line" was highlighted by an interview with a group of guest students from Vicksburg, Michigan. The Domestic Exchange with Lee High School was a pilot project for Fairfax County and the results were rewarding.

In January, A.F.S. students from Annandale and Woodson High Schools joined our own Victor David to provide an informative look at their native countries - Austria, India, and the Philippines.

Lee was especially lucky in obtaining a Peace Corps Speaker whose viracious delivery and slides of Africa remained with the student body long after the lights were back on.

Assemblies

AFS Foreign Exchange Student

Victor David from the Philippines joined our student body this year to become Lee's fourth AFS Foreign Exchange Student. An active member of Epsilon Hi-Y, the Lance Staff, and the Shield Staff, Victor made many of his own contributions to the personality of our school. He spoke before many clubs and showed color slides of his family and home town surroundings. Victor soon became "one of us" and his cheerful smile and pleasant word for everyone will be greatly missed in the halls of Lee next year.

 Ginny Cherwek, Joan Flynn, Cathy Calvert

Lee is extremely proud of the many honors placed on its outstanding students.

This year Joan Flynn earned the DAR award through her efforts and contributions toward good citizenship in Springfield and at Lee.

The Optimist Club bestowed their award for notable service to the school on Diane Kolesar and Joe Toroska.

Fifteen of Lee's scholars rated the Merit Scholarship Letter of Commendation. Three of these students were selected as Merit Scholarship Semi-Finalists who will compete for scholarships.

Senior Carnival

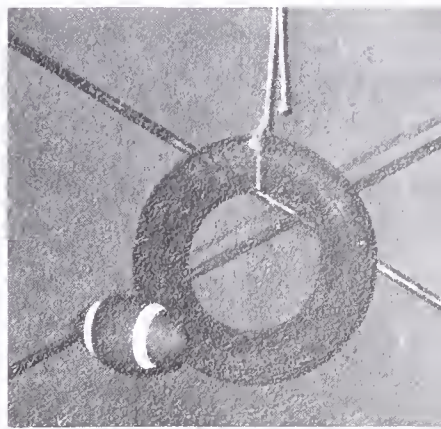

The Class of '65 brought a new event to Lee this year in the form of the Senior Class Carnival.

Ideas were formulated early in the Class's Jr. year and plans started the wheels turning immediately.

Despite numerous stumbling blocks, the carnival was a success and the profits poured in through fifteen booths, each calling for skill and producing a lot of laughter. One of the highlights was the dunking machine, on which our cherished football coach sacrificed himself. Other clubs were represented by a ring toss, a very unique white elephant sale, and a racy dice game.

Miss Lee

"San Francisco" with its rickety streetcars and hair-raising hills was the theme for the 1965 Miss Lee Dance. The dress was discotheque for the girls and suit and tie for the boys. The highlight of the evening came when

Suzanne Shaw, Miss Lee for 1964, graciously crowned her lovely successor, Lynn Stewart. Lynn's court consisted of Jarie James, a senior, Debbie Sheehan, a junior, senior Diane Kolesar, and Becky Lawe, another junior.

The credit for the original decorations and delicious refreshments should go to Lee's Home Economics Department who sponsored the dance for the second year in a row.

Dances

On Friday and Saturday nights throughout the year Lee's cafeteria was transformed into an entirely different atmosphere. After almost every home game—football and basketball—one of Lee's many clubs would sponsor a sock hop. The music was supplied by various local groups and the hops were open to both schools. Chi-Omega Tri-Hi-Y and the Keyettes turned the tables on the boys by sponsoring two girl-ask-boy dances, Sadie Hawkins with its Dogpatch theme, and the B.Y.O.B. (Bring Your Own Boy) dance.

Jr-Sr Play

This year, the Junior and Senior classes, under the direction of Mr. Philip Hasselvander presented "The Curious Savage" as the Junior-Senior Class Play.

"The Curious Savage" concerns the lives of five inmates of "The Claisters," a mental institution. They are introduced to a clearer understanding of the outside world through Mrs. Savage, an elderly woman who is committed by her step-children. Mrs. Savage is the heiress of several hundred million dollars and the inmates soon learn of the step-children's greed for this fortune.

"The Curious Savage" contrasts the ideas of the inmates concerning happiness with the selfish ideas of the step-children.

Byran

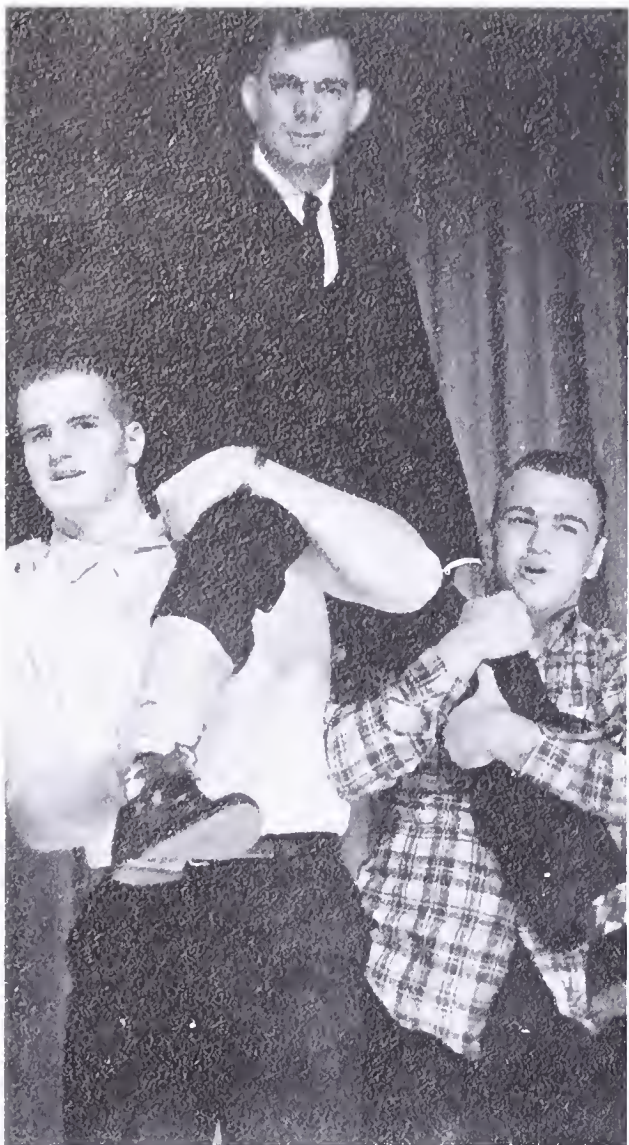

The Junior-Senior basketball games were continued this year in the finest tradition of Robert E. Lee High School. Three hilarious games were held between the junior and senior girls with the seniors ultimately emerging victorious. The boys' games were a much more serious business. Nine Senior cheerleaders and seven Junior cheerleaders chosen specifically for the games vied with each other for the loudest and most original cheers. Once again the seniors won two-out-of-three putting down the juniors who will try again next year. All the games were highlighted by good sportsmanship and enthusiastic class participation.

Junior-Senior Basketball

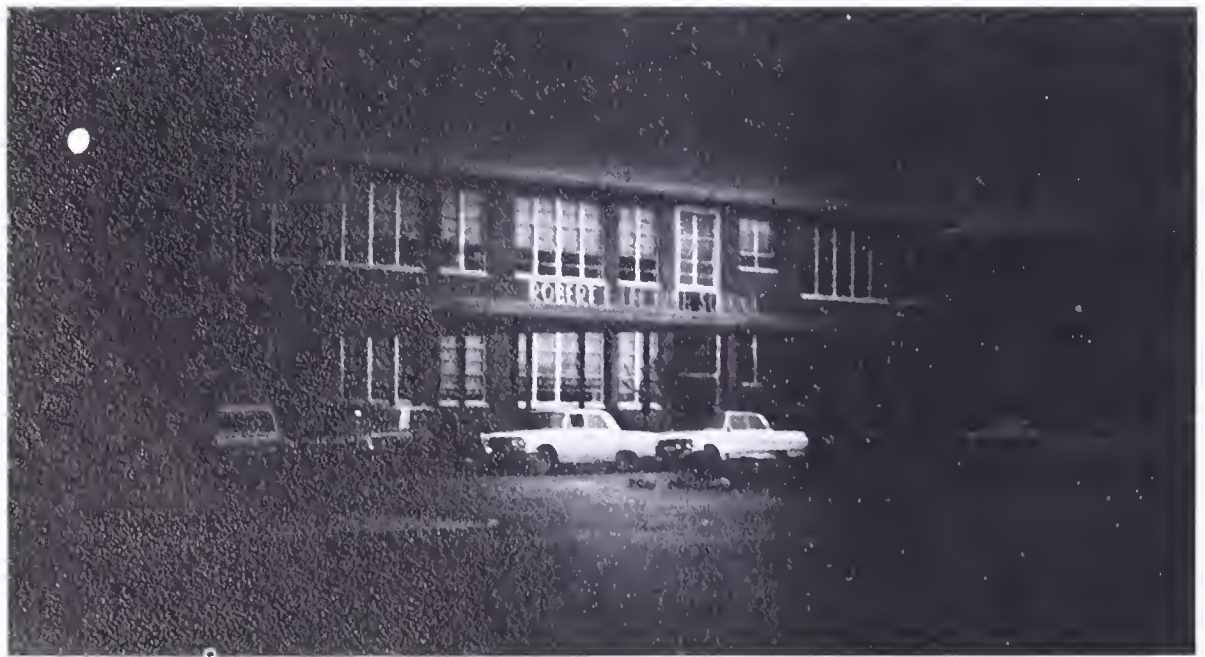

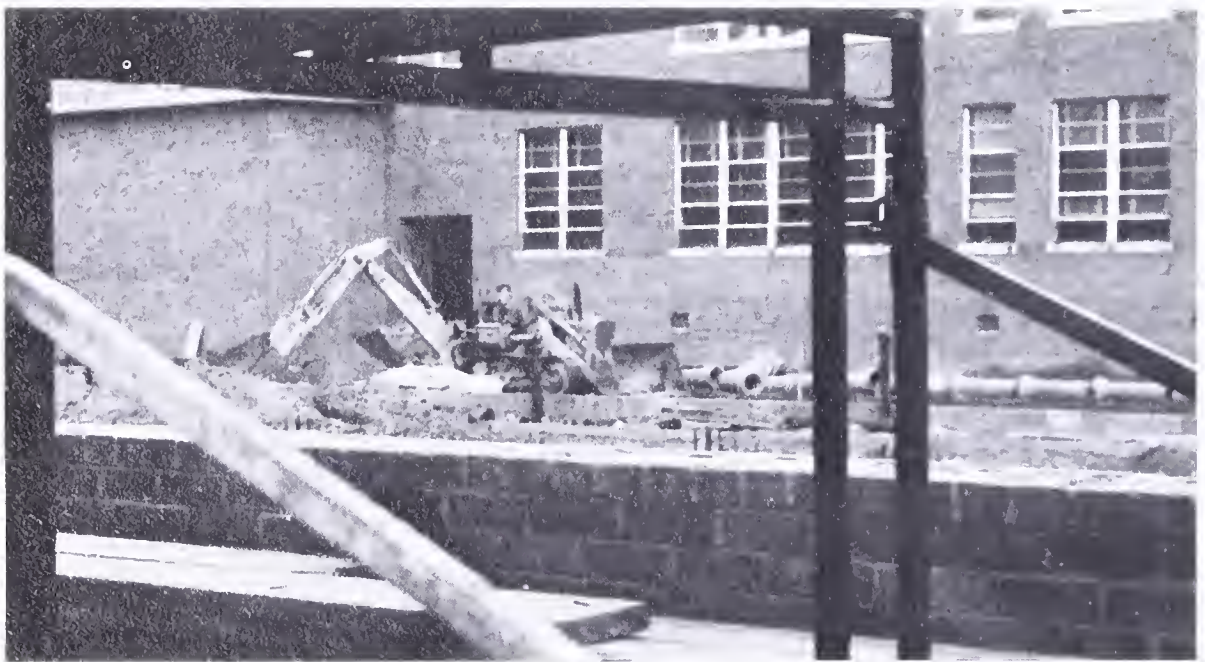

This year's Senior Slave auction not only brought in money for the Senior class present to the school, but also provided a full day of fun for the whole student body. Courageous seniors volunteered to be auctioned off as slaves for one day and often met with more than they had bargained for.

A popular band supplied the music for two talented "ballerinas" to start off the hour of bidding. Things really got going when the Jolly Green Giant and three 007 agents made their appearance. Freddy and the Dreamers, a surprise package, Laurel and Hardy, an organ grinder and his monkey, and six unusual dancing girls all went to the highest bidder. Even the teachers got into the act as an esteemed government teacher cheerfully offered his services and was dragged off the auction block by two football players.

The Senior Slave auction proved to be not only profitable but also enjoyable.

at,
to a real good
friend. Never forget
our trip to Napoleon's
and our Escargots.
Good luck always,
now and in the
future. Stay as
you are now and
you'll have all the
happiness you de-
sire.
Love,
P.

Law,

fat, but are the rest of you looking
it had been a week since I
realized you had not
nowhere to go, and I
you've got to go, and I
you're the only one
hope some friends but
in some other
store in the
times

To Pat,
All the fun we had on the bus and
in school, I hope we can have more.

Love

Kate
